So, meeting was totally focused on getting on the state legislators' calendars to discuss what we are planning to do (whatever that is) with them before a meeting in Silverton - looks like that will be in mid-April. No mention of enforcement or 104(e)s, I think in this case no news is good news. I keep reiterating to Martin that we have to send the 104(e)s if we ever want to be able to do a formal settlement with Sunnyside/Kinross - so, it was a very short meeting (like 20 minutes) and that was it...k
